Meeting called to order by President, Ndegwa Kamau

The only topic discussed on the call was the exploration of new locations for the Springburst race in 2019. Mark identified three trails that could be suitable locations for the Springburst race:

1. The Washington, Baltimore, & Annapolis Trail
2. Patuxent National Wildlife Refuge

Along the WB&A trail, there is the Glendale Splash Park which has parking 200+ parking spaces, and restroom facilities. Mapping a course to run the Springburst race may entail an "out and back" course from the Glendale Splash Park facility.

The Patuxent National Wildlife Refuge has trails from its visitor's center. It has 150+ parking spaces and limited restroom facilities. At the Patuxent, there may be a few options to map a course for the race.

Mark suggested the board to schedule a time for board members, especially the race director and the training manager to visit these locations. Ndegwa stated he will coordinate a time for board members to visit these locations.

Meeting adjourned at 8:18pm
